**November 2021**

## ***Chairman's Message***

**..... Tom James**

November has arrived with the holidays right around the corner. Our club events have been well attended through the year with COVID-19 now firmly in the rearview mirror.

Last month's meeting at Lecia Calvert's, Tomcat Classics and Street Rods, was a great cruise-in night. We had about a dozen members drive their cars to fill up the parking lot in front of the beautiful showroom full of tee-shirts and memorabilia as well as some great cars for sale. Thanks again to Lecia for having our club invade her space and making everyone feel right at home.

Next month is our Christmas Party at Aston Oaks Country Club. It will be held on Sunday, December 5<sup>th</sup> from 5:00 PM until 9:00 PM. As before, the cost to attend is \$50.00 per member and their spouse or guest which includes the cost of the event as well as your 2022 Queen City NCRS Chapter membership Dues. If you would like to attend, please make your reservations now as we need to get a head count for the restaurant. Please mail a check made payable to QCNCRS and send to Barb Hilbert at 3663 Layhigh Road, Hamilton, Ohio 45013. If you have any questions, please

**Webmaster:** Dale Maris [qc@ncrs.org](mailto:qc@ncrs.org)

## ***NOTICE!***

***Newsletter Deadlines***  
The deadline for getting information, into the newsletter is the 6<sup>th</sup> of each month.  
If it isn't here, we will publish without you.

contact Barb at 513-738-1493 or Terrie James at 513-941-6909. Let's make this year a great party again.

We would like to welcome our newest member this month Roger Kendall. Roger has joined our ranks and we welcome him. He is currently working on a 1968 Corvette he recently purchased and is doing some upgrading and repairs. Roger also has a 2021 that he drove to the meeting last month. It is a red car with the body accents done in red to match with a beautiful set of chrome wheels. Nice car Roger!

The fliers for the swap meet have been printed and are ready to be passed out. We will have these available at the November meeting which will be held at Dan Bosch's Antique Auto. Dan and Denise have agreed to have our monthly meeting at their restoration shop on Tuesday, November 16<sup>th</sup>, 2961 Ariens Drive, Hebron, Kentucky 41048. Be sure to mark this on your calendar for an exciting evening to see the inner workings of a large restoration shop with multiple restorations going on at the same time.

Also with the swap meet fliers ready to go are the raffle tickets. We need to get these out to the membership so we can get a jump on this year as it has been two (2) years since we have had a swap meet to generate any income for the club. Once again, I hope this year's event will allow us to donate a portion to our chosen charity, Shriners Children's Ohio Hospital. In past years we have been at the top of the NCRS largest donation chapter, and I hope this year is no different. I hope we can once again make a great donation to the Shriners for the great work that they do.

Hope to see everyone at Antique Auto on November 16<sup>th</sup>.

Save the Wave.

Tom

## **Fun Facts ..... Tom James**

One glance at the 1954 Mercedes-Benz 300SL revealed its heavy influence on Corvette designers. In particular, the GM stylist in charge of the Corvette's body redesign, Bob Cadaret (supervised by Bill Mitchell), clearly mimicked the German supercar's ovoid grille opening, arched front bumper ends, and high-set headlamps, not to mention the blatantly copied twin hood blisters. It is not known how the 300SL's designer, Paul Braiq, felt about the U.S. automotive giant pilfering his design.

At the rear of the body, Cadaret and his team took more cues from the 300SL. Although not as obvious, the rounded, hump-like mound created by the deck lid positioned between the fender peaks was adapted from the Mercedes-Benz design. The major difference between the two was Corvette's glass-fiber construction versus the Mercedes-Benz's steel shell (with aluminum doors, deck lid, hood, and rocker panels). Photos exist of the Oldsmobile Golden Rocket Motorama dream car posed next to a Mercedes-Benz 300SL gullwing coupe within the GM styling center. A little benchmarking clearly went a long way.

## **Newsletter Advertising Rates**

### Business Card – 2x3.5

\$25.00 / month or \$275.00 / year

### Quarter Page

\$40.00 / month or \$350.00 / year

CHEVROLET**

## **October QCNCRS Meeting Minutes .....**

### **Tom Smith**

Tom James, Chairman, welcomed everyone to Tomcat Classics and Street Rods in Lebanon. Tom thanked Lecia Calvert for having us in this beautiful new place. Tom stated we have a few things to go over tonight and then Lecia will give us a tour.

We had 4 cars that were outstanding at the Chapter Meet held at Columbia Chevrolet. We had a 62 fuel injected car; George Denman brought his 2001, and that car received a top flight award. The red and silver 62 car looked new, like it just came off the showroom floor. Bought from the original owner, and everything but the battery and tires was original. The Club appreciates everyone who came over and judged, we learned a lot and had a good time. The pizza was good too.

We have the raffle tickets printed and flyers so we can start handing them out and selling tickets. Let's try to beat Gary Griever in sales for the raffle tickets. Let's put a team together and maybe we can beat Gary. Take a small handful and sell them. The swap meet will be held on March 20, 2022, at Columbia Chevrolet. Speaking of Chevrolet, we left the remainder of the pizza from the Chapter Meet for the dealership personnel. Columbia had 40 used cars and 1 new car on the entire lot the day of the meet.

Christmas dinner will be December 5, 2021, at Aston Oaks Country Club. No mask mandate is in place as of now. The room holds around 100 people so there is plenty of room to socially distance. Your dues will be paid for next year if you attend. The event is from 5PM to 9PM with a cash bar.

## **October QCNCRS Meeting Minutes ..... continued**

The cost is \$50 per member and their spouse or guest which includes your 2022 Queen City NCRS membership dues and the cost of your dinner.

Roger Kendall was welcomed as a new member and asked to talk about himself. He has a 2001, and a 1968 that he is playing with at home. He drove his 2021 which he purchased a few months ago.

Tom added that we received our Top Flight Club award from the National. We have been a Top Flight Chapter since they started the program. We also received a Certificate of Appreciation for our donation to the scholarship fund. The picnic for 2022 will be at Horse Power Farm next year on September 18<sup>th</sup>. Mark your calendars. Dale Maris, Web Site Master, said we are up to 300 hits per week. Tom James added that you can now get your name on a NASCAR race car by making a donation to cancer awareness fund. Tom Keen will hopefully be attending our next meeting or Christmas dinner with more details. Barb Hilbert, Treasurer, went over the financials and they were passed. Tom James asked the group if they could think of any activity we could do. If you come up with an idea please bring it up for discussion. Michigan will not open any time soon. Tom Smith, Secretary, asked if anyone would help block sand a 1963 K15, but there was no interest. Chris Rockenfield, Co-Chairman, thanked Lecia again for having us in her new facility. Split the pot was drawn and Terrie James won. We then got a tour of the facility from Lecia and the meeting was adjourned.
