Volume 28, Issue 10

October 2021

## Chairman's Message

..... Tom James

Where has the year gone? We are in October already.

These past few weeks have been full of activities that have been a joy to participate in. First off was the picnic and cruise up to the Horsepower Farm. We had a dozen or so cars leave the Graeter's in West Chester and meander up to the Horsepower Farm in Middletown. The weather could not have been better, sunny and 75°. Once at the park another 10 to 12 cars joined in to make a great looking parking lot from 62's to 67's and a wide range of member's late models. A good time was had by all. I would like to thank the ladies for all their help in serving great food and making it another successful day.

This past Saturday our Chapter hosted a judging meeting at our sponsor dealership, Columbia Chevrolet. We had four (4) cars to judge: two '62's, a '64 and a 2001. Two of the cars were from our own Club. One of the '62's is owned by Ed and Vicki Bauscher and the 2001 is owned by George Denman. The Bauscher's 1962 is a red fuelly car with black interior. Ed restored this car over the past few years but has owned it for over

40 years. A beautiful restoration and it all paid off with Ed and Vicki bringing home a Top Flight Award. We hope Ed and Vicki bring their 1962 to other events for other members to enjoy. Next off was George Denman's 2001. I know George was stressing out about the judging, but he pulled everything together at the last minutes and achieved a Top Flight also. Congratulations to the other two entries, Mark Davis and Gene Milhoan. Their cars were just as spectacular. Mark Davis's 1962 was just an incredible original car from the original owner. The judges will be using his as a template to judge future 1962's. He also earned a Top Flight Award. Gene Milhoan's 1964 convertible was an outstanding restoration. A saddle on saddle car with attention to detail made an excellent candidate as he won a Top Flight also. Thanks to the many judges who gave up their Saturday to give these owner's the award they strived to achieve. Many judges came from near and far. Thanks for all you do. Also a big thanks to John Ballard and Shannon Urton for arranging the meet and to Barb Hilbert and Mary Carol Eyl for tabulating the results. A great event once again.

I would like to welcome our newest member, William Wehner. I hope that you can attend our monthly meetings and be part of the fun. Welcome William!

Our Christmas party will be held on Sunday, December 5<sup>th</sup> at the Aston Oaks Country Club. Mark your calendars to attend. Once again, if you attend your yearly dues are paid in full.

Fliers for the swap meet and tickets are now being printed for our annual event to be held on Sunday, March 20, 2022, between the hours of 8:00 AM and 2:00 PM. More details to follow at our next meeting.

Lastly, our next meeting will be held on Tuesday, October 19<sup>th</sup> at 6:30 PM at Lecia Calvert's new facility, Tomcat Classics & Street Rods, 101 Stubbs Mill Road, Lebanon, Ohio 45036.

Save the Wave.

Tom

## **Fun Facts ..... Tom James**

Corvettes and movies went hand in hand from the beginning. The 1967 feature film *Hot Rods to Hell* was memorable for its inclusion of a modified 1958 Corvette. In the 92-minute drive-in movie classic, a conservative family in a pea-soup-green 1961 Plymouth Belvedere is terrorized by a gang of hooligans driving an assortment of hopped-up machines. Leading the pack is a bright red Corvette with flamed side coves, yellow racing stripes, Radir mag wheels, a tall roll bar, and deleted front bumper and grille. The Corvette eventually was wrecked in a game of chicken.

Alternate titles for the film *Hot Rods to Hell* were *52 Miles to Midnight* and *52 Miles to Terror*. Because it was a decidedly low-budget production, it is likely that only one 1958 Corvette was used/destroyed in the making of the film. This assumption is supported by close inspection of the film; the unique flamed graphics and 1958-only ribbed hood and chrome trunk strakes appear identical in every scene. Most action movies involving cars are guilty of continuity lapses (1959-1961 Corvettes doubling for the 1958 hero car, non-exact placement of flame and stripe graphics from one stunt car to the next, etc.), but not this gem.

## **September QCNCRS Meeting Minutes .....**

**Chris Rockenfield, Vice Chairman**

Tom James started the meeting by thanking Sue and Opie for letting us have our picnic at The Horsepower Farm.

Tom said we needed judges for the following Saturday for the Judging Chapter meet. There were 4 cars already registered and judges needed at Columbia Chevrolet around 7:00 am. Donuts and coffee would be provided. Terri will be getting pizzas for the group around 12:00 noon.

Tom stated that Shannon is running for NCRS Regional rep at The National level. Asked club members to show support. Go to the Driveline website to cast your vote. Dale will also try to add a link on our website that will take you directly to the voting site.

We had a good turnout from the club for Corvettes at Carlisle. Good to see everyone there. Terri announced that we had a new member, his name is William Winter.

Tom stated that the club received a thank you note from the Slattery family for the flowers that were sent for Bruce's funeral.

Our club swap meet flyer is getting ready for printing, a draft was passed around for everyone to review. The swap meet is scheduled for Sunday, March 20th, 2022. Setup will be Saturday afternoon around 3:00. Raffle tickets are in the process of being printed.

Our Annual Christmas party is scheduled for December 5th, 2021.

Dale Maris talked about a new project he is heavily involved with, The Convention of States. Please look to the website for additional information. [Conventionofstates.com](http://Conventionofstates.com)  
Dale also has yard signs available for those interested.
